

## Let's explore our planet

- Open the app.
- Go to the section “Nature”.
- Select “Antalya - Damlataş Cave”.
- Plug in your earphones.
- If you want to watch the video in 3D, click on the VR glasses symbol: 
- Place the smartphone in the VR glasses.
- Watch and enjoy!

Repeat the same sequence with “Antalya - Dim Cave”.

- Take your Chromebook and work cooperatively to find information about one of the two caves.
- Browse to [canva.com](https://canva.com)
- Log in with Google (username: [erasmusgroup\[number\]@santiagoapostolcabanyal.es](mailto:erasmusgroup[number]@santiagoapostolcabanyal.es); password: erasmus2022)
- Click on Social media, then Instagram post.
- Create a poster about one of the two caves using one or more pictures and the relevant information you have just found.
- Download the poster and send it to: [erasmus@santiagoapostolcabanyal.es](mailto:erasmus@santiagoapostolcabanyal.es)

Fast finishers: do the same with “Nevşehir - The fairy chimneys”.
